

Dear Edi

I am very happy that ~~at least~~ we met...
And for me it was really very nice to meet with you.
I hope our friendship after now will continue
more strong than before...

And I thank for every things...

You know I am always very excited.. And, like Atina
I couldn't sleep. I am leaving your house
with really fool of nice feelings.

Today or tomorrow I will look for to see
ours memory film. And with one
of my friend - who is working video -
I will try to get it wide cassette. If
not possible I will call you and
I will come you. If possible, I will
make it for you also.

I am taking foto - which on the boat - also.
Because, ^{on the} mine foto there are some sentences
which you wrote new years of 1982...
That one was important for me. I will
print it one for you also...

By the now, I am leaving here another
fotos. I have a lot. How many you
want I can give you...

please call me when you want.
If you come Basel, I will be
very happy also..

Say please yours nice daughter
greetings from me and my
daughter.

You musn't say that you are alone.

Don't forget, Basel and Baden
not very far away...
